Subject: Member Engagement Consultant - French

Dear Madam, Sir,

Experienced in sales and customer service for global companies including in Dublin; I am taking the liberty of sending my application for the position Member Engagement Consultant (French).

Previously, Business Developer BtoB on the French market; I always sought to improve my work by developing real connections through phone, email, social media, and professional networking and achieving my sales targets.

Also, as Customer Service Agent, I ensured, through the phone, email, and chat, the best possible customer services (build rapport with customers by building relationship and follow up them), this includes reporting, identifying issues and feeding back relevant information to management. Moreover, I identified opportunities for up-selling or cross-selling (exceptional promotions depending on the customer).

Therefore, I perfectly suited to succeed as a Member Engagement Consultant (French).

Thank you very much for taking the time to review my application. I am immediately available, and I look forward to hearing from you soon.

Yours faithfully,
